A

1-2: All turn partner two hands halfway with hands crossed.
3-4: All fall back from partner, setting.
5-6: All turn neighbor two hands halfway with hands crossed.
7-8: All fall back from neighbor, setting.
9-10: All turn single cloverleaf (men right and women left).
11-16: End turn single close to partner for a pousette with the men pulling. The pousette continues three quarters of the way around the set so that the couples end in line across the set, with the first couple on the women’s side. The women are on the ends facing in.

B

1-4: Women pass partner by the right shoulder and, giving right hand, pass each other to turn the opposite man by the left hand for an open ladies chain.
5-8: Women cross back by the right hand and turn partner by the left hand.
9-10: Women place their right hands by their right shoulder while men pivot to grasp their partner’s right hand (varsuvienne position).
11-12: All promenade across the set.
13-14: Without letting go of hands, women turn right under men’s left hands to face partner.
All are holding partner’s hands in a cross-hand (right in right and left in left) grip.
15-16: Men draw women into progressed place.
