Video equipment checklist

Epson video projector bag (top shelf)

◊ video projector
◊ 3 cables
◊ Mac adapter
◊ remote control
◊ Keyspan pointer in a little bag (two parts)

Document camera (lower shelf)

□ document camera
□ 3 cables
□ remote control
□ transparency adapter

Netbook (bottom shelf)

▷ netbook
▷ AC adapter
▷ mouse

○ Quick setup guides for the projector, document camera and the pointer

Note that all cables have labels and should be placed together with either the video projector or the document camera according to the labels. Please, let someone know if anything is missing, not functioning, and just needs instructions.

Thanks!
